

Your kids, technology and the internet.

ThinkUKnow is Australia's first and only nationally delivered crime prevention program, providing free, evidence-based cyber safety sessions to parents, carers, teachers and students.

ThinkUKnow is a partnership between the Australian Federal Police (AFP), the Commonwealth Bank of Australia, Datacom and Microsoft Australia.

Content is delivered by trained volunteers, aiming to provide parents, carers and teachers with the tools to create a safer online environment for young people in their care.

The session will cover:

- the benefits of technology
- what young people SEE, SAY and DO online
- the challenges they may face, and importantly, how they can be overcome
- how to report and get help if things go wrong.

We look forward to seeing you there.

When

Tuesday, 15th May 2018
6.00pm – 7.00pm

Where

CommBank Rockhampton North
Stockland Shopping Centre
Cnr Yaamba Rd & Bruce Hwy
