

School Photo Day is now
Monday, 13th July

School photo day has been rescheduled.

Please note the date on your child's school photo envelope is no longer correct. The correct date is above. Please mark it in your calendar.

- A new group product (see image below) is being introduced to ensure your child is not required to be in closer contact to the photographer than the required 1.5m at any time. Please note that the 1.5m rule means we can't comb your child's hair or fix their collar for them. We will however ask their teacher to attend to this.
- Students will move in and out of the portrait studio area individually.
- Hygiene and cleaning guidelines used by MSP Photography staff are in accordance with the current information distributed by the relevant Health Authorities.
- If you wish to order online and have lost your child's shootkey, you can obtain this by phoning our office.
- Sibling photographs are unavailable until the 1.5m social distancing rule has been lifted. (While this rule does not apply to your children, it remains in force for our photographers.)
- If you have already placed an online order with us, your order remains valid and your order will be fulfilled on photo day.
