

Bringing Up Great Kids Parenting Program

Anglicare CQ - Targeted Family Support Program (Rockhampton) will be running a Bringing Up Great Kids Parenting Group from 6 October to 10 November 2021.

Bringing Up Great Kids (developed by the Australian Childhood Foundation) is a reflective, mindful and respectful program that provides parents with an opportunity to reflect on their parenting journey.

Bringing Up Great Kids provides a friendly and safe environment for parents to learn from each other as they continue their parenting journey.

The Bringing Up Great Kids program supports parents and carers to:

- ✓ learn more about the origins of their own parenting style and how it can be more effective;
- ✓ identify the important messages they want to convey to their children and how to achieve this;
- ✓ learn more about brain development in children and its influence on their thoughts, feelings and behaviour;
- ✓ understand the meaning behind children's behaviours, and how to respond to children's underlying feelings and needs;
- ✓ explore new ways of communicating with children;
- ✓ discover ways for parents to take care of themselves and to find support when they need it.
